Food approval declaration:

Shiva 02 sugarcane

The bottles Shiva 02 sugarcane 500 and 750ml we manufacture are made of Green PE granulate LDPE SBF 0323, the caps we manufacture are made of Green granulate HDPE SHA 7260 and the pull lids are made from Eva copolymer ML40.

The green PE granulate HDPE, LDPE and the Eva copolymer are materials that are food approved. In the enclosure you find a certificate of compliance for the material green PE granulate HDPE, LDPE and Eva copolymer. It states, these materials comply with the conditions of materials that come in contact with food. Green PE granulate HDPE, LDPE and Eva copolymer can be recycled.

This product fulfils the requirements on materials used for articles or components of articles intended to come into contact with food as described in

EU Regulation (EC) No 1935/2004 and Commission Directives 32011R0010

Regulation (EU) No 10/2011 as amended, including Regulation (EU) 2025/351 and subsequent amendments up to and including Regulation (EU) 2026/245.

The colour pigments we use are food approved as well.

We herewith declare that we only use green PE granulate LDPE and HDPE from Fkur, the copolymer from Distrupol BV and we use the colour pigments from Color Service.

Wassenaar the 2nd of July 2026
